### About

Do you have an idea and you think that it could make Golder better? Do you have an idea, but you want to discuss it with someone else before suggest it?

Well, you are in the right place!

Here you can submit your idea and discuss it with other.

People can rate your idea and leave comments; ideas grow and take shape. Better ideas raise up, common tags get evidence, people stay in touch.

#### How does it work?

The concept is amazingly simple, yet extraordinarily powerful. People post their ideas and others then vote, agreeing or disagreeing by "promoting" or "demoting" ideas as they see fit.

Comments enable voters to elaborate on why they voted a certain way. The comments will tell the story why an idea is good, bad or ugly.

#### If you have an idea...

Click on the post-it on the left and begin describing your idea, start with a summary paragraph, then enter into details.

#### If you want to discuss an idea...

Login and rate it, or leave your comment, discuss with others about the ideas you like.

#### If you think an idea is really good...

Let others know about it, share the link with your colleagues.

Enter in idea's page, there you will find a big button on the left "Send this Idea to...", it will help you to send an email to the people you think can help that idea to become more concrete.

Let's the ideas growth in Golder!
